Presented in conjunction with TASTE, Root Division’s annual culinary event, ***Gather 'Round***, examines the intimate act of preparing and sharing food with others, and the rituals, traditions, and conversations that accompany it.

Across time, culture, and geographical location, the act of preparing and sharing food and drink with others is a universal phenomenon that creates many opportunities for connection. From learning a cultural recipe from a relative and conversations about politics that occur at the dinner table, to the physical act of sharing a meal, this exhibition invites artists to reflect on sharing food and its connections to culture, politics, community, knowledge-sharing, history, tradition, ritual, ceremony, resilience, and resistance.
